Our Symbol

Simplicity sums up everything in this one word. There are no occult or esoteric connotations in the outline, all of the meanings & relationships are easily understandable.

Square base denotes goodwill the 4 sides of the pyramid; Self, Society, Service & God. All rise to the point of Freedom.

Our symbol is everything we stand for. It is part of the life we live. Freedom, God, Self, Service, Goodwill & Society.

Home Group

After paying their basic expenses, most groups contribute to the NA boards and committees that serve them. Phonelines, meeting lists, NA literature, H& I panels, and public information presentations all benefit the group.

That's why service contributions are just as surely a part of a group's self-support obligation as the rent for its Meeting room. Like groups, NA service boards and committees decline contributions from sources outside the

Fellowship. Unlike the groups, however, our service boards and committees are not themselves fully self-supporting. They have been created to help the groups fulfill their primary purpose more effectively and they

depend on group contributions for the money they need to do their work.
