

# There is HOPE

## HOSPITALS AND INSTITUTIONS

- West Suburbs -

*We bring meetings to hospitals, jails, rehab centers... any place where addicts cannot come and go. Addicts need your help now!*

With just a **couple hours** of your time each month you can give back what was so freely given to you!

At most facilities, the clean time requirements are 3 months to sit in, 6 months to speak and 1 year to chair
