

CRC33 Committee Report to Region April 26, 2020

- **CRC33 Wellness Check-In on April 5th via Zoom**
 - The purpose of the meeting was to make sure that all Committee members were safe and healthy.
 - We discussed a contingency plan for moving forward.
 - Asked Committee Chairs to meet with their committees to brainstorm and come up with creative ways in which we can move forward as if we will still be hosting CRC33 in January 2021.

- **CRC33 Chair attended the BOD meeting on April 9th via Zoom**

- **CRC33 Committee meeting via Zoom on April 19th via Zoom**
 - Prior to this meeting the Executive Committee met on April 16th.
 - Additionally, the Chair and Co-Chair have been meeting regularly via telephone and/or Zoom with all Committee Chairs to stay actively engaged.
 - All Committee Chairs (Registration, F&E, Serenity Keepers, Purchasing, Treasurer Treasurer) provided written or verbal reports.
 - **Programming**, held our first CRC33 activity on yesterday, it was a Speaker-thon “Another Look” held from 1-7 pm. via Zoom. There were six speakers, five of which were out of towners. We had up to 125 participants and average 105 throughout the meeting. We continue to recovery despite COVID19, this event was very successful. We collected **\$285** in donations (via Zelle and CashApp newly created account). We were pushing registrations throughout the Speaker-thon and announcing our upcoming F&E event.
 - **F&E**, will host a Speaker/Dance on Friday, May 15th, which will replace the Skating Party that was scheduled for Saturday, March, 16th (\$350 payment made to the Rink Fitness Factory, Inc. is refundable or can be used at a later date). At that time, we will continue to push registrations, do several raffles and take donations throughout the event, to continue to raise funds for CRC33. (**The Flyer will be available last week.**)
 - **Registration**, created a bundle package for consideration moving forward. The package would include registration, banquet, and entertainment for \$75 and

would be sold only online with an offer of a t-shirt from last year convention or mug given in bundle. Set up payments. Registration Committee is looking for suggestions to promote registration sells. Comedy show to be sold separate.

- **DGC**, updated our website and we are working to insert a link on CRSC. website.
- **Serenity Keepers** are still soliciting members to join (Flyers & Sign-In Sheet are circulating).
- **Action Items:** CRC33 theme will be voted on at our May 17th. The logo will be created once we have our theme. Additionally, we will continue to stay in close contact with the hotel to determine if there are any new changes/guidelines.
- **See Treasurer's Report attached.**
