PR- Agenda 2021

Our recovery world has been impacted like never before! We have come together in unity & rose above so many closed in-person meetings & so many more online meetings. We have worked through daily challenges & found ways to reach the still suffering addict. No one is exempt from the changes we have been faced with. Let's continue to serve together & be examples of what recovery can be. "Our ends are always the same, Jails, Institutions & Death!"

In loving service,
