H, REPORTS

Co-Facilitator B – Hi Family, I’m an addict named Rick. Welcome everyone. Today we have election of Cofacilitator B. Also there are 4 Proposals we will be going over today. A list has been posted on Slack along with this weekend’s agenda. I would to thank Cliff the RD from Indiana, Bill the RDA from Indiana and Jim from Chicagoland for their PR presentation yesterday. Also would like to thank Patti Doug and Kevin for all of their help with preparing for this meeting. And a big MZF welcome to the Tri-State Region who has recently joined us. We are going to try to get all of our business completed today, if possible. If not, we will finish up tomorrow morning starting at 9am EST. A reminder that all members present are full participants in the decision making process.

I Love My Freedom, Rick C.

Co-Facilitator A – Hi family, my name’s Doug and I’m an addict. I wasn’t expecting to give a report today but maybe I should’ve been... Anyway, since being elected, I was able to attend the January 10th meeting of the U.S. zones, the January 16th meeting of all the zones, and the Conference Participant meeting on February 13th. I attended more as an observer in a learning capacity than anything else. And I wanted to insure the MZF had a presence at the meetings. At this point I would go on, but that’s all I covered at the meeting so I have to end it here... Thank you for allowing me to serve, Doug H. MZF Co-Facilitator

Secretary – The minutes as written

Treasurer Once again, I give thanks to my Higher Power and the Fellowship that offered me hope.

At our last meeting on October 24th, 2020 held virtually on Zoom our opening available balance was \$4,899.84.

It was noted that (at that time) we had two known expenses that would need to be taken care of:

File with the IRS for a change in our 501(c)3 status	\$ 500.00
Reimburse Kevin G. for our annual Zoom subscription	\$ 157.40

After the payment of these expenses that totaled \$657.40, we would be left with a balance of \$4,242.44. At the end of business, there was a decision made to send a \$2,182.44 donation to NAWs. This would leave us with a balance of \$2,060.00 (the total amount of our currently approved reserves). During that weekend, we received income from a 7th Tradition collection (made via PayPal) in the amount of \$71.92.

Following that weekend, we were charged \$18.65 for new checks, reimbursed Kevin G. \$157.40 for our annual Zoom subscription, and sent a donation in the amount of \$2,182.44 to NAWs.

In the time that passed between our last meeting and the end of the calendar year (2020), we received three donations in the amount of \$10.00 each from the “Passage To Freedom” Group (Chicagoland Region), a donation in the amount of \$628.19 from the Ohio Region, a donation in the amount of \$24.29 from the Milwaukee//Waukesha County ASC (Wisconsin Region), a donation in the amount of \$16.00 from the “Living Clean I” Group (Chicagoland Region), and one donation in the amount of \$100.00 from the Indiana Region. All of these donations were sent by mail to the corporate offices of Connexus Credit Union. We also received two monthly donations made thru our PayPal account totaling \$48.25 each (\$50.00, minus \$1.75 in PayPal service fees), and two monthly donations made thru our PayPal account totaling \$4.55 each (\$5.00, minus \$0.45 in PayPal service fees). As a result of keeping most of our available funds in the “regular share (savings) account” portion of our Connexus Credit Union account on December 31st, we earned \$3.09 in interest. These expenses and income brought our account to a year-ending balance of \$3,520.44.

Since then, we received a donation in the amount of \$554.96 from the Ohio Region, a donation in the amount of \$240.46 from the Milwaukee//Waukesha County ASC (Wisconsin Region), a donation in the amount of \$100.00 from the Indiana Region, and a donation in the amount of \$10.00 from the “Passage To Freedom” Group (Chicagoland Region). All of these donations were sent by mail to the corporate offices of Connexus Credit Union. We also received three monthly donations made thru our PayPal account totaling \$48.25 each (\$50.00, minus \$1.75 in PayPal service fees), two monthly donations made thru our PayPal account totaling \$4.55 each (\$5.00, minus \$0.45 in PayPal service fees), and two monthly donations from the “Passage To Freedom” Group (Chicagoland Region) made thru our PayPal account totaling \$9.41 each (\$10.00, minus \$0.59 in PayPal service fees). This additional income has brought our account to a current balance of \$4,598.53.

(This balance matches the current checking & savings balances on record with Connexus Credit Union.)

Our current established reserves total \$2,060. Thus, we have a surplus of \$2,538.53 over our established reserves.

As to our tax-exempt (501(c)3) status,... I still have not filed our tax return for 2019 (or 2020 for that matter). If you recall, it seems that we’ve at least determined that our original filing for non-profit status

MIDWEST ZONAL FORUM
March 20, 2021
Indiana Region ZOOM meeting

was incorrect in that we have been recognized as a “private foundation” – “a non-profit charitable entity, which is generally created by a single benefactor, usually an individual or business”; and that we need to revise our status to be recognized as a “public charity” – which “uses publicly collected funds to directly support its initiatives”. I’ve done some of the prep work with Jacqui to file for the change in status – creating balance sheets & profit/loss statements for the past six years – so we’ve made some progress. Now, we still need to file the forms for the change in status and we’re still holding \$500.00 in reserve for that.

Also, we have two other known expenses that need to be taken care of:

Web Hosting for 2021 – Joe Y. / USA Local Biz	\$ 150.00
Annual Corporate Filing – John H. / State of Wisconsin	\$ 10.00

These additional expenses bring our surplus down to \$1,878.53.

Thank you for allowing me the opportunity to serve this body as your treasurer. In Loving Service,...
Dave L.

Web Contact I’ve spoken with Joe Y about setting up a Zonal server for the BMLT. He had a few questions that we’ve been able to work out. I was hoping that we’d have it further along at this point but we’re getting there.

I’ll be sending everyone their login creds today for our Google account. You’ll be receiving an email from Google sent to the same email as you used for Slack. This will include instructions on logging in for the first time. Please reach out to me if you have any questions.

Chicagoland: Greetings from the Chicagoland Region of NA **Regional Meetings** The Chicagoland Region has been meeting monthly on Zoom. We have continued to develop our policy and create a more thoughtful environment at the regional meetings. We have been reaching out to missing areas to make things are all right. They been returning slowly. We have formed an Ad-Hoc to develop our direct donations. We are participating in A Month of Caring and Sharing on April 24th from Noon to 4pm and have a diverse background of members involved in service in Chicago. Our RD team has started visiting the areas and relaying their concerns to the region . Members of the Admin committee of the Chicagoland Region have been participating in the various webinars, symposiums, and service meetings, almost every week end we have a member presenting somewhere. We have a very active HIPR committee which now includes our website, Phonelines, Facebook page, and Instagram.

The CSO The Chicago Service Office has moved fully into our new location. 924 W. 38th Place, Suite 109

Chicago, IL 60609. We are open Saturday and Sunday 12pm to 4pm and Wednesdays 2pm to 6 pm by appointment only. We have seen an uptick in literature sales

The Areas The covid pandemic hit many of our areas very hard and some did not meet for 5 to 6 months. Rolling into the new year they have for the most part been meeting again and carrying the message to the still suffering addict. We have an online area called the We Do recover Online Area with 14 meetings a week. I have gotten directly involved in developing the area and it has been quite the learning experience.

Groups We currently have online, in person and hybrid meetings taking place in Chicago. The CRSC and the Areas have been working with groups to keep their info updated and deal with the many issues. I held a meeting with members from WDROA to discuss the issued they were facing with getting card signed. We have also struggled with in person meetings respecting size limitations Another issue is that meetings are being formed by member in slots of meetings that went to online sometimes even using

the same name. I am sure with application of spiritual principles we will get it worked out .

CRC We are looking forward to having an in person CRC January 20th – 23rd. We have updated the website. Our theme is Unity is the Practice of Love. On the 21st the committee is voting on a logo.

Greater Illinois: Howdy Folks, This will most likely be my last report as the RD for Greater Illinois, my term is over at our June RSC. I am eternally grateful for this opportunity to serve. This has not been the best example of a wsc conference cycle to get an understanding of how things work for the RDs of our fellowship. I plan on being around for the next cycle to give support and have full confidence in Hank or whomever the Region elects in this position. This Zone has always given the best support for our fellow Midwest Zonal members. I look forward to what our Higher Power has in store for me in this new world. I'm letting Hank take the lead for this last report and fill in where I can. With that here's hank.... In service (((hugs))) John H **Hello family!** We have 8 areas with one not participating at the regional level All our meetings are on BMLT with each area updating their meetings. Most meetings are back to face to face with some hybrid and a few still online. After not having our convention last year, had online event, we are planning our convention, GIRCNA, for November. We are looking at revising our meeting insurance, trying to find a cheaper option. It would be helpful to know how other regions are handling insurance matters. We also have a new website, illinoisna.org that is now up and running. Our next regional meeting is in June, and will be our first hybrid meeting. We also moved from our regular date to June 27 to avoid Flight to Freedom. A large campout at Carlyle lake put on by Little Egypt area, June 10-13.2021 Hank h 618.410.8670 Hankfrank56@msn.com

Indiana – Hello MZF The Indiana Region has canceled it's regional convention The Indiana Region is planning to have it's convention in March of 2022 We are grateful for the MZF doing a PR Presentation over zoom. Probably the first of it's kind We hope next time in Indiana we can meet face-to-face Clif L

On Friday March 19th the MZF held a PR power point presentation for professionals in the Mid-State Area of Narcotics Anonymous which is in the Indiana Region of NA. The presentation went well with 10 in attendance. It was a pleasure to serve with Jim on the presentation. Most of our meetings in the Indiana Region has resumed in 3D. But attendance has been down due to the Covid 19 virus. We hope to see more steadied improvements in our meetings in attendance and availability in the near future. Regards Bill W. Indiana Region RDA

Metro Detroit – We had elections in Jan. Where we elected new chair Cherise S and co chair Stacy C Rd myself and RDA Doug T We have no significant issues in the region. Our meetings our going well. We have a few face to face meetings mostly Western Wayne. Our web servant is doing his best to list all meetings virtually and face to face on our web page. Also DACNA will be held virtually Easter weekend Friday and Sat. April 2 and 3. For registration go to DACNA website.

Michigan – The Michigan Region meets quarterly with the next scheduled meeting to meet virtually June 6, 2021. Our regional convention has decided to postpone and are looking into having a virtual convention. The Region has decided to join the Zonal BMLT server. We are looking into opening a venmo, PayPal or another type of electronic account so Areas and Groups can contribute funds electronically to Region.

Thanks Marty D

The Saginaw Bay Retreat will be held virtually on Friday, May 7 and Saturday, May 8, both days from 7 pm to 9 pm.

The Capital Area is having a Memorial Day pig roast and the Northwest Area is having their campout in August. Most other events have been cancelled.

Most of our meetings are virtual but with the weather improving we should see more outdoor meetings open up. Bob J

Ohio-

Wisconsin- Greetings Midwest Zonal Family, Welcome from the Wisconsin Region. I am submitting this report today, as our Regional cycle is also meeting today. My apologies for missing out on the meeting this weekend. I have asked members here to please send me a text message if you need something from me (262 707 0072)

Wisconsin continues to find a balance between virtual and in person and doing our best to ensure that the message of recovery continues to grow. I realize we are hosting the next cycle of MZF and I will do my best to get those dates to you prior to the end of the MZFNA session this weekend. My apologies for not having these at the time of writing the report. As soon as I know you will know.

Our Journeys convention and state convention are happening this year in person. Miracles will also be holding a May function as a smaller version of their convention in January. We also have several campouts and retreats that are going to happen. Please refer to our calendar on our web page for further information (wisconsinna.org).

I also volunteered to help to put together a function for the weekend of the US collaboration of the zones. Through slack I communicated the opportunity to work with tjcna.org in order to avoid a conflict of several functions. At this time, MZF is slotted to host April 9 and April 10 of this event. We are looking for a speaker from each region of our zone and would like that to be given to either myself or posted in slack in the channel for the upcoming event.

Our next meeting is scheduled for March 22 at 6 PM CDT (Zoom ID 703 877 2293). Hope to see many of you there.

Tri-State Region- About our region: • 38 years old • Pre pandemic we had 600 weekly meetings • Post pandemic we've had 300 meetings re-register • Top priority this year has been dealing with the devastating impact of the pandemic on our fellowship and service structure • The pandemic exacerbated challenges existing challenges such as lack of participation in our services structure, and lack of innovation in our service model (how we were serving hadn't changed much over the years) • In summer of last year we worked to reestablish committees and contacts throughout the fellowship • Completely re-building our service structure, enabled by technology and innovation • Committees meeting via Zoom • New website: TriState-NA.org •

Zonal Representative: Greetings! Lots has been happening with NAWS and the Collaboration of US Zones.

NAWS

This information was provided on the most recent NAWS Updates e-mailed a in February and March. Anyone can sign up to receive these e-mails by going to www.NA.org/subscribe.

- Open webinar on trends emerging to incorporate virtual meetings and service structures into our current service structure was held last Saturday, March 13, 2021. Several members discussed their experiences with the rise of virtual groups that plan to continue after the pandemic.
- The next webinar is scheduled for today, March 20. It will be a NAWS update. I will be attending that webinar on behalf of the MZF.
- Toolbox Survey: NAWS posted a short survey put together by a couple of researchers with whom they have cooperated in the past: www.na.org/survey. Their aim is to publish an article for addiction professionals about what is important to members in recovery. The survey will be online through the end of May.
- Local Service Toolbox Survey and Outline: NAWS is taking the next steps for the project on virtual meetings: www.na.org/toolbox. NAWS posted an outline of virtual meetings' best practices. As NAWS receives input on the outline and more information from the Fellowship, updates will be posted. NAWS is asking members to check it out, and forward their thoughts to toolbox@na.org.
- Virtual Meeting Page: NAWS has set up virtual meeting page on NA.org. People can find information about virtual meetings and post information about new meetings. The site also has lots of information about service and other resources members may seek. www.na.org/virtual.
- Service Day: Service Day is every year on 1 May. You can find a flyer at www.na.org/dates and www.na.org/nawsevents. NAWS is planning a webinar 11am-1pm, PDT. The theme this year is the gifts of NA service. A panel of members from around the world will share their experiences in all kinds of NA service, and there will be time to ask questions.
- Spiritual Principle a Day Book: The Spiritual Principle a Day (SPAD) Book Project will be posting draft entries for your review very soon, and principles are online for you to

I attended the CP webinar on Feb 15. Aside from the usual news, we did breakout discussions on fellowship financial support.

Collaboration of US Zones

- The MZF will be hosting the next meeting of the Collaboration of US Zones on Sunday, April 11, 5:00 pm Central. Two items will be on the agenda: (1) the Vision and Purpose statements being finished by the Vision and Purpose Workgroup; (2) next steps the Collaborative should take, if any. The current intention is to distribute the Vision and Purpose statements to the Zones, along with the Strategic Plan that has already been circulated. Once the Zones have weighed in, we will determine the next steps.
- Presently the Zonal Collaborative is meeting every three months. Sentiments have been expressed by at least one Zonal Forum to slow things down to allow the fellowship some time to go through the documents that will have been produced at our next meeting. I'd like to post a topic of discussion to gage the MZF's sentiments on whether and how the collaborative should continue.
- The Collaboration of US Zones hosted a very successful three-day New Year's event. That's it for now! ILS Louis H

VII. New Business/Planning (discussion topics)

1. **Car/cat Workshop Multizone:** Do we want to? There are two meetings one is CAR one is CAT. Feel last meeting was we wanted to stay with our own. We should revisit it. Finances is going to be a factor for world. Virtual or in person?? Virtual is probably going to be our best way to reaching more people... open the car/cat season to a bid process instead of what ever region it falls into that. Hybrid makes sense too... Keep it by a border of another zone maybe. Right

MIDWEST ZONAL FORUM
March 20, 2021
Indiana Region ZOOM meeting

now NAWs is not travelling.. so they may be virtual anyway regardless what we do...been discussion about workshopping the CAR collectively right when it comes out... collaborating with other zones.. or split the car and cat at our MZF meetings...3. Questions How does everyone feel about the splitting the CAR in Chicago in December and CAT in Michigan? who wants to collaborate with other zones? Who wants to separate the car/cat? Or both? **So for the November in Chicago will be just an MZF.** A suggestion was made that when we have a CAR/CAT we invite other regions. No objections.

2. **Discuss Collaboration of US Zones** – Has anyone thought about this? Phonline? National help line. An evolution of what as a fellowship we can do. We can collaborate nationally that makes sense. Things that prohibit us zonally is time and resources. Nationally it makes sense to pool together resources.
3. **MZSS Requests** August is the event. They need extra zoom accounts and equipment. Is anyone opposed to MZSS using our zoom account.. **no objections.** Is this body ok with the mzss using our equipment for hybrid. **No objections**
4. **Zonal zoom account:** Maybe we need to use the zoom for zone or region only. A lot of meetings now happening.. Letting people using our account is great and all but maybe we need to give notice so they can prepare other options. We will revisit in August.
5. **Discuss Financial Issues at World:** A lot of talk about finances. Indiana has agreed to attend every area discussing the financial situation. For ideas of how we can do better. Because of people have recurring donations to naws others have followed suit. Our zone has been able to continue to contribute to NAWs at a larger and consistent capacity. Because of the regions and so on. **GRATEFUL** Some zones have been able to press on and some areas not so much. We were relying on events and literature sales instead of member contributions. Back to the traditions about being fully self-sufficient. Member contributions Set it and forget it. Venmo cash app will be more effective as people don't carry cash anymore..people also tend to hang on to it for just in case. WE are relying on service culture that is 40 years old. We need to update\.. Paypal and cash app is an option. Lots of stuff involved with that.
6. **Response to Request for Input:** How can we get some responses?> Can you please acknowledge you saw the question. Treasurer needs people to respond to requests. We are really practicing improving our communications. Can we put a one click yes no abstain? @channel or # that will create a link post in one then link to another channel.
7. **Meeting Insurance** How many regions have a meeting insurance policy? 4 regions do. Chicagoland are covered as a region which covers every meeting in our directory.
8. **Caring and Sharing Event** want a speaker from every region by the 31st for the event April 9-10. Report to Louis lharris500@gmail.com
9. **Bids for MZSSNA need bids...**

4 proposals from our last meeting for March 2021 MZF meeting

1. Zonal Rep

To attend the 2 meetings regarding the role of zones. We should have 2 zonal delegates as our zone continues to grow. We need to rewrite the position to fit us. Adopt the definition from the GTWS. It's a developing kind of position we need to write that it's evolving and will change as we continue to change. Someone does not like the zonal delegate term. Keep Zonal representative title. The guidelines are generic enough to leave as is. The zone can have delegates without being seated at the conference. It is important to have a representative/delegate.

Proposal: We reinstate the MZF representative

NO objections carries. Louis Nominated and elected.

Because this is a new position, consensus reached and open for elections.

Proposal to table, discussion about tabling back to regions.

Also adding an alternate delegate position.

Guidelines state second meeting of cycle.

Do we want an Alternate Delegate/Representative:

Proposal: To create an alternate representative position to open elections in March? consensus We agreed to allow Louis to join/participate on the next zonal zoom meeting only. Consensus reached

We intend to fill the positions of MZF representative and alternate at our meeting in March.

2. Zonal BMLT server

Glad it was brought up. We need the RD's to buy in.

It's a good idea because technology is great and utilizing it a lot more.

More services available now.

Tech cost. Tech debt.

Who is going to maintain BMLT is built to keep updated meeting information inputted by individual areas? By this happening its way more accurate. Collaboration may be better.

A single server would be easier with updates.

MIDWEST ZONAL FORUM
March 20, 2021
Indiana Region ZOOM meeting

Proposal: The MZF will establish a BMLT Server that will be available to all member Regions and Areas.

Sent to regions for participation. Consensus reached last meeting.

3. Google User Accounts for Trusted servants:

Most businesses have their own email address specific for the job. Therefore, trusted servants have their own email keving@mzfna.org for instance. Maybe generic accounts for web services. Generic accounts for positions are not a good idea. However personal accounts could be a lot of work and hard to keep track of. Confused why we are talking about another way to sign in. \

Proposal: let Kevin set up the G suite and try it out.
