

RD Team Report

February 2021

Area Visits - The RD team requested a date from each Area for our visits. We have received one so far Western Subs tentatively on April 27th. We once again request dates for to come visit your area and answers questions and talk about service stuff.

Autonomy Zonal Forum Event – The RD team attend the Autonomy Zonal Forum Event on January 30th which was held on Zoom. We attended workshops on CBDM, Virtual Meetings, and Accountability. The Accountability workshop was particularly good, and the speaker emphasized compassion and reminded us that everyone doing service is a volunteer. After attending the CBDM workshop I reached to WDROA about having the presenter give a workshop for that area.

CP Meeting – The RD team attended the Conference participant meeting on Feb 13th. We discussed the WSC finances and were broken into to small groups. We discussed two questions

1. **What strategies can we employ to help members understand the need to support services through contributions?**

and

2. **How can we work together as a Conference to achieve World Services' goal, that 70% of our expense for services be funded by contributions (contributions from members, groups, and service bodies, not literature sales)?**

My group answered on question 2. There were a lot of people and we had about three minutes to share so I didn't get to talk about our Ad-Hoc. The World Board Chair Tali, passed away. She was in the CP meeting the day before her passing. I enjoyed listening to her Chair the WSC

There are two Webinars for March:

Budget- We submitted a budget for 2021 with things still up in the air and fiscal issues within our region we are suggesting that the budget be revised. We do wish to give presentations and participate in events but feel budgeting for physical travel would in appropriate. Therefore, our revised budget is \$200 to use for presentation materials and registration fees as needed.

MZF – the next meeting is March 20-21st we will be attending via Zoom and will provide a full report.
