Both team members are on Slack

We have submitted our budget for 2021 and expect there to be reductions

We would like to begin our Area Visits. We have fourteen areas total and we would like everyone to send us when the area meets and how it meets. To set up the visits I can be reached phone # 773-708-0692 or email me at charles.gra@yahoo.com

A former RD from Idaho Region contacted me about participating in a month of caring and sharing. They are looking for us to Sponsor 2-6 hours time block in April. I would like this to be a topic for discussion.
