Positions Vacant: _____ RCM. Note, we have annual election nominations this month and elections next month _____

Issues of Concern: _____ We're attempting to get more to attend ASC on Zoom. We've been meeting since June 2020 on Zoom. We also have a lack of donations.

Resolution: (The RCM is responsible for writing down the said resolution/next steps that were discussed @ the Region meeting regarding their areas above *Issue of Concern*)

_____ We bought a Zoom account just for our ASC (we were using the chair's) so even people not on social media can know the user id and password as it'll remain the same and can be spread via word of mouth as well. Also, we're reminding more leading up to the next meeting... We created an account with Vemo for donations. Our account is @WSANA

General Area Info: (Please attach any new group registration forms, group updates forms, upcoming area activities, and/or events with date, location and time to this report)

__As said above, we bought a Zoom account and registered a Vemo account for donations for our Area. Our Christmas marathon meetings attendance was low in person, we had it hybrid.... Our monthly bowling event that we opened back up a few months ago is closed again. For H&I, we were doing early last year into DuPage County Jail, than a pandemic hit. We went back in for about a month over the summer until the facility said hold off again. In December, the facility asked if any of us are interested in in-person sponsorship in the visiting area. A few of us are and we told them, but we haven't heard back yet.
