The RD Team will work with ASCs to confirm dates. Please let the RDT know if any of the above information should be updated/corrected.

### **CAR/CAT 2020**

It's that time again! **Conference Agenda Report (CAR) and Conference Approval Track (CAT)** Workshops, surveys, and etc. As many of you know, every two years, the NA Fellowship is encouraged to weigh in on topics, proposals, and questions to help determine the direction of our worldwide fellowship over the coming two-year cycle (Spring 2020-Winter 2022). The RDT will register the conscience of the Chicagoland Regional members through a voting process at the World Service Conference (WSC) in April 2020. One of the most important tools for collecting input from members in the Region is through CAR/CAT workshops to be held this coming Winter in various locations throughout the Region and at CRC XXXII. A copy of the CAR has been purchased for each ASC and will be available for distribution at the December RSC meeting. A CAR workshop will be held on Saturday, 1/4/20 at 9 am at the Hyatt McCormick Place Conference Center, during CRC XXXII as part of the Annual Service Assembly. The RDT facilitated a CAR workshop on Saturday, December 7<sup>th</sup> at a South Suburban Area Learning Day.

The RD has been trying to reach the Web Tech Team through emails and voicemail messages in order to once again get a CAR tally sheet posted on the Chicagona website. So far, there has been no response.

### **MZF**

A CAR/CAT Workshop sponsored by the Midwest Zonal Forum (MZF) is set for January 24-26, 2020. It will be hosted by the Michigan Region at a regular MZF meeting in Grand Rapids. All members are encouraged to attend.

### **Publications Update**

Work on the *Spiritual Principle A Day* book continues.

*Conventions and Events Tools Project:* Several materials designed to support the successful delivery of local conventions and events have already been developed. All members are encouraged to get involved in this and other NA projects to support our global fellowship.

Note: The MZF Zoom account will not be available for the January RSC meeting. The RDT is working with the HI/PR Chairperson on an alternative platform for use by the Region next month.

Respectfully submitted,

**RD Team**
